## Berossos – a bibliography

Birgit Gufler / Irene Madreiter (University of Innsbruck)

This bibliography on Berossos is part of a major bibliographical project on Greek historians dealing with ancient Near Eastern history, namely Herodotus, Ctesias<sup>1</sup> and Manetho. The project was initiated by Robert Rollinger (University of Innsbruck) in 2005.

The bibliography is based on entries in *Gnomon* and the *Année Philologique*. Moreover we added studies and papers of journals and proceedings published until August 2012.<sup>2</sup> As there is no comprehensive printed bibliography available by now, we decided to include the articles of the current volume, too. The bibliography does not contain book reviews and articles of encyclopaedias, except the relevant entries ‘Berossos’, ‘Oannes’ and ‘Sardanapal’ in *Paulys Real-Encyclopädie der Classischen Altertumswissenschaft*. The titles are listed alphabetically and by year of publication.
